Delancey Street Theater  
600 Embarcadero  
San Francisco

## MAP & DIRECTIONS

### Note:

The Delancey Street Theater does not have any theater marquee or lighted signage that tells you you're at the correct location. The theater is not visible from the street, as it is in the middle of a large residential apartment complex that shows no signs of any movie theater type structure. The only sign that shows you are in the right place is the "600" Embarcadero address, next to a large gated entrance. This is half a block away from the Delancey Street Restaurant, on the corner of Embarcadero and Brannan Streets. If you have never been to this location before, please be sure to arrive early to allow sufficient time to pick up tickets for your screening.
