

CALL FOR ENTRIES THE ARMENIAN FILM FESTIVAL

SAN FRANCISCO, California – The Armenian Film Festival is inviting submissions of films and videos by or about Armenians. The next festival is scheduled for February 15, 16 and 17, 2008 at the Delancey Theater.

The film festival strives to present Armenian culture across the globe in all its living diversity. We are committed to screening high quality films and videos produced by Armenians or about Armenians in any cultural, linguistic, and geopolitical setting. Through these events, we hope to support the enormous variety of excellent work being done by Armenian film and video makers on one hand, and on the other to familiarize Armenians and non-Armenians alike with the breathtaking multiplicity that makes up our communities.

We are interested in all forms of work - narrative and experimental, documentary and fiction, drama and comedy, features, shorts, music videos, children's films and animation

**All entries must be received by June 1, 2007.
There is no entry fee.**
